Cutter Stacker

Enhances your label production

Barcodes Made **Easy**

Product Specifications Cutter Stacker

Model Name	CS1000-ZX		Article no. CS-1000-100-ZX
Description	<p>The GoDEX Cutter Stacker is a powerful tool to enhance your label production. After the labels have been printed and cut, the stacker will pile them up for easy and orderly collection. The integrated heavy duty cutter has an adjustable cut line and a guaranteed life cycle of over 1 million cuts with materials up to 325g/m². Originally designed for textile applications this cutter-stacker can handle materials ranging from satin care labels to thick cardboard hang tags. Various integrated solutions avoid issues with static electricity.</p> <p>The CS1000 Cutter Stacker requires virtually no maintenance and comes with three years warranty on non-wearing parts. Mounting it is uncomplicated and it is easy adjustable to label sizes up to 100mm wide. The cutter-stacker will automatically pause the printer when full. Replacing the blades is done in the blink of an eye and all mechanical parts are easy accessible for servicing. In spite of its uncompromising quality the CS1000 remains very affordable and combined with a ZX series printer it is definitely the best value print-cut-stack solution on the market today.</p>
